

# Cinderella Kids

We want to thank every one of you who auditioned for *Disney's Cinderella Kids*

With such a large and talented group of teens and children – you made our job very, very difficult. If you were not cast in this show, please consider coming out for another production in the near future. And again, thanks to everyone who came!

Our first rehearsal is next **Monday, March 22nd at 6:30 pm at the Barnard Center,**

**415 N Barnard, Howell.** You will be receiving your script, music, CD, rehearsal schedule and other documents. We will go over the schedule and answer questions, and **read through the play Monday night,**

**and all fees will be due that night.** We will need parents to attend this important first rehearsal.

Congratulations to a wonderful cast! We're looking forward to working with all of you!
