

We want to thank every one of you who auditioned for *Dirty Rotten Scoundrels*

With such a talented group of people – you made our job very, very difficult. If you were not cast in this show, please consider coming out for another production in the near future. And again, thanks to everyone who came! If you're willing/able to lend a hand in any capacity (such as set build, painting, house decorations, etc...)please contact the Producer, Theresia Rogers at tj@michmail.com.

Our read-thru is **Monday, February 20th at 6:30 pm at the Howell Winery.**

You will be receiving your script, rehearsal schedule and other documents. We will go over the schedule and answer questions, and **read through the play and all fees will be due that night.**
