

Round the World and Back Again

Character Descriptions

SOLAR SYSTEM: A bunch of wacky personalities who are just figuring out how this whole galaxy thing is supposed to work. Characters include the Sun, who is a larger than life, a charismatic leader; Venus, the glamour queen of the solar system; Saturn & Neptune, two totally trendy teen-agers; Mars, the jock of the group who is always up for a fight.

DINOSAURS: There are both carnivores, blue collar, love NASCAR type of folks; and the herbivores, who consider themselves much higher class. They abhor the wearing of fur and hate big pick-up trucks!

EARLY HUMANS: There are a variety of characters in this group, ranging from your typical caveman/woman, to Intergalactic explorers, Christopher Columbus and Vikings.

SCIENTISTS: A crazy group who are trying to figure out where the whole system came from, and they really like potato salad!
